

Nedo QualiLine telescopic levelling staffs with adjustable circular bubble

## Aluminium Telescopic Levelling Staffs with E-graduation

### Aluminium Telescopic Levelling Staffs

To meet differing quality demands Nedo offers two series of telescopic levelling staffs.

#### QualiLine Telescopic Levelling Staffs

For maximum quality and accuracy. Nedo **QualiLine telescopic levelling staffs** are made of high-quality white powder-coated aluminium tubes. The rugged locking mechanism ensures that the telescopic sections lock securely into position. The levelling graduation on the front side is protected by standoff ribs. Nedo **QualiLine telescopic levelling staffs** are available with adjustable circular bubbles and graduation 1 and graduation 2 on the rear.

Nedo **QualiLine telescopic levelling staffs** comply to the standard DIN 18703.

#### StandardLine Telescopic Levelling Staffs

Reliable quality at an attractive price. Nedo **StandardLine telescopic levelling staffs** are made of anodised aluminium section tubes to withstand extreme demands on the construction site. A reliable locking mechanism ensures that the telescopic sections lock securely into position. **StandardLine telescopic levelling staffs** are available with graduation 1 and 2 on the rear. The staffs are supplied with a carrying bag and clip-on bubble.

Staffs

Graduation 1

Graduation 2

### Graduations on the Rear

#### Graduation 1

Graduation for measurements of internal room heights.

#### Graduation 2

Continuous mm-graduation, beginning with 0 at the staff's shoe.

# Special Levelling Staffs

## Fibreglass Levelling Staffs

Nedo **fibreglass levelling staffs** are especially sturdy and durable. The fibreglass sections are almost indestructible. The graduation on the front is protected by stand-off ribs.

Nedo **fibreglass levelling staffs** are non-conducting when dry and are therefore especially suitable for levelling close to power lines or railways. Supplied with a bag as a standard.

### Nedo Fibreglass Levelling Staffs

Ref.-No.	Length retracted	Measuring range	Locking buttons	Snap-on bubble	Graduation on the rear	Weight
345 815	1.23 m	5.00 m	brass	yes	Graduation 1	2.7 kg
345 822	1.25 m	5.00 m	brass	yes	Graduation 2	2.7 kg
870 100	1.68 m	7.60 m	plastic	no	Graduation 1	3.2 kg

## Nivellierfix

Thanks to the small diameter of its telescopic tubes, **Nivellierfix** is lightweight and compact. It is ideal for levelling and measuring interior dimensions.

The E-block scale on the front and the mm graduation on the back are equipped with an abrasion-proof anodised surface. The sturdy, locking mechanism never fails.

Available in lengths of 3 m, 4 m and 5 m.

A carrying bag is available as an accessory.

### Nedo Nivellierfix

Ref.-No.	Measuring range	Sections	Graduation	Weight
F 373 313	3.00 m	3	mm/E	0.8 kg
F 374 312	4.00 m	4	mm/E	1.0 kg
